Series of lectures on-line: "Metabolomics: a practical tool for plant science and food technology" - prof. Vladimiro Cardenia

November 4 and 6, 2020 - oral exam by ZOOM platform

"The basics of chemical synthesis of oligonucleotides"

Series of lectures on-line - prof. Adam Kraszewski IBCH PAS

Demonstration of machine assisted oligonucleotide synthesis - dr.

Karol Pasternak IBCH PAS

February 9, 2021 - written exam (prof. Adam Kraszewski)

Doctoral seminars "Plant genetics part 5"

Winter holidays: 15-26 February 2021
