

Program Council of the International Doctoral Studies of the Institute of Plant Genetics Polish Academy of Sciences

1. **Prof. dr hab. Małgorzata Jędrzycka** – Research Deputy Director IPG PAS (agricultural sciences)
2. **Prof. dr hab. Cezary Małdrzak** – Vice-Rector for Studies, University of Life Sciences in Poznan (agricultural sciences)
3. **Prof. dr hab. Hanna Sulewska** – Head of the Department of Agricultural Plants, Department of Agronomy, Faculty of Agriculture and Bioengineering, University of Life Sciences in Poznan (agricultural sciences)
4. **Prof. dr hab. Jadwiga Jaruzelska** – Head of the research group at the Department of Nucleic Acid Function, Institute of Human Genetics PAS (biological sciences)
5. **Dr hab. Rafał Mól, prof. UAM** – Head of the Department of General Botany, Department Biology of Adam Mickiewicz University (biological sciences)
6. **Prof. dr hab. Barbara Naganowska** – Head of the Department of Genomics, IPG PAS (agricultural sciences)
7. **Prof. dr hab. Paweł Krajewski** – Head of the Department of Biometry and Bioinformatics IPG PAS (agricultural sciences)
8. **Prof. dr hab. Piotr Kachlicki** – Head of the Department Pathogen Genetics and Plant Resistance IPG PAS (agricultural sciences)
9. **Dr hab. Arkadiusz Kosmala, prof. IPG PAS** – Head of the Department Environmental Stress Biology IPG PAS (agricultural sciences)
10. **Dr hab. Tomasz Pniewski, prof. IPG PAS** – Head of the Department of Biotechnology IPG PAS (biological sciences)
11. **Dr hab. Robert Malinowski** – Head of the Department of Integrative Plant Biology IPG PAS (biological sciences)
